Keeping everything in order

DESK RAIL

More space for creativity and efficiency at your desk with DESK RAIL: The smart system allows power, media and data connections to be secured directly to third level railing systems, providing more space on the tabletop and also quick, convenient access to a whole host of connections.

Tried-and-tested BACHMANN 90° custom modules also ensure maximum flexibility in this case. The central modules for video, audio and network connections can be integrated into DESK RAIL as desired, thereby keeping the system state-of-the-art at all times.

DESK RAIL is easily and securely mounted onto the front side, while power and data cables are connected from below. A universal mount makes DESK RAIL compatible with virtually all standard railing systems.

BENEFITS

- **More space on the desk**
- **Common railing system compatibility**
- **Simple mounting**
- **Convenient access to various connections**
- **90° Custom Modules for more flexibility**

BACH MANN

We power your life.

USB Charger:

When integrated into DESK RAIL, the ability to charge mobile devices using the universal USB charger is very convenient, and the integrated mains adapter also saves space for socket outlets.

International power sockets:

DESK RAIL can be configured with international standard sockets and data connections.

Dimensions (W x H x D):
228–300 x 52 x 52 mm

Custom Modules:

BACHMANN Custom Modules are the central components of video, audio and network connections. Their construction offers you simple and flexible installation.

Material:

Profile: aluminium
Socket: plastic
